BLUE BELL MANOR

SERVICE AGREEMENT

I. PURPOSE

Blue Bell Manor Utility (BBMU) is responsible for protecting the drinking water supply from contamination or pollution which could result from improper plumbing practices. The purpose of this Service Agreement is to notify each customer of the plumbing restrictions which are in place to provide this protection. The utility enforces these restrictions to ensure public health and welfare. Each customer must sign this agreement before BBMU will not re-establish service unless it has a signed copy of the agreement.

II. PLUMBING RESTRICTIONS

The following undesirable plumbing practices are prohibited by State regulations.

- A. No direct connection between the public drinking water supply and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air gap or an appropriate backflow prevention device.
- B. No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation of an airgap or a reduced pressure-zone backflow prevention device.
- C. No connection which allows water to be returned to the public drinking water supply is permitted.
- D. No pipe or pipe fitting which contains more than 8.0% lead may be used for the installation or repair of plumbing at any connection which provides water for human use.
- E. No solder or flux which contains more than 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for human use.

III. SERVICE AGREEMENT

The following are the terms of the service agreement between BBMU and the customer

Name: _____

- A. BBMU will maintain a copy of this agreement as long as the Customer and/or the premises is connected to BBMU.
- B. The Customer shall allow his property to be inspected for possible cross-connections and other undesirable plumbing practices. These inspections shall be conducted by BBMU or its designated agent prior to initiating service and periodically thereafter. The inspections shall be conducted during BBMU's business hours.
- C. BBMU shall notify the Customer in writing of any cross connection or other undesirable plumbing practice which has been identified during the initial inspection or the period of re-inspection.
- E. The Customer shall, at his expense, properly install, test and maintain any backflow prevention device required by BBMU. Copies of all testing and maintenance records shall be provided to BBMU.
- F. The Customer has been notified about Blue Bell Manor Company rate and given a copy of section 1. Rate Schedule.

IV. ENFORCEMENT

If the Customer fails to comply with the terms of the service agreement, BBMU at its option, either terminate service or properly install, test and maintain an appropriate backflow device at the service connection. Any expense associated with the enforcement of this agreement shall be billed to the Customer.
